A note from Lindsay

In 2021, The Food Bank for Central & Northeast Missouri celebrated 40 years of sharing food and bringing hope to our 32-county service area. We've certainly grown in size and scope, moving from an initial annual distribution of 68,000 pounds to 29.8 million pounds last year. It's inspiring to think we've increased our distribution more than 400 times over since 1981, and that today we're sharing the equivalent of more than 23 million meals with our neighbors each year. We couldn't have done this necessary work without the help of our incredible community of donors, volunteers, partners, collaborators and neighbors.

In many ways, 2021 saw our operations return as close to normal as they've been in recent years. An outpouring of support from our community paired with one-time state and federal COVID response funding helped us sustain operations in a time of crisis, but there's still the storm of economic recovery to weather. In addition to supply chain issues, in 2021, The Food Bank sometimes experienced food and freight costs **three times what they were pre-pandemic**. We continue to see our food acquisition and distribution costs increase dramatically, and it's hard to know what additional challenges the future will bring. That's why I am grateful for our team's ongoing resolve - and your dedication, too.

Thank you for being a part of our mission. Our effort to end hunger is a huge undertaking, but together we can continue to meet the immediate needs of our neighbors and make progress toward our vision.

Gratefully,

Lindsay Young Lopez President and CEO
